September 30, 2010

Dear Kindergarten Parents/Guardians,

With construction beginning on Monday, October 4th one of the first groups to be impacted inside our building is our Kindergarten students. Work to build a new exit to our school will be taking place on the other side of the folding wall in Ms. Button's classroom. This exit has to be completed before any other work because it will become a fire exit for our building.

Due to this construction beginning on Monday, October 4th Ms. Button's Kindergarten class will be combined with Ms. Russell's class in Ms. Russell's room. We have been told that this should be for about a two to three week period. During that time both classes will learn together with both Ms. Russell and Mrs. Button teaching them. At the end of this phase of construction, Ms. Button's class will move back into their room which will be a full size Kindergarten classroom.

Thank you for your continued cooperation and support.

Sincerely,

Arthur Winsor
Principal
